100 RATHBUN WILLARD DRIVE, ATTLEBORO, MASSACHUSETTS 02703

May 23, 2018

Dear Parents/Guardians:

During the summer of 2018, students who are currently in grades 5-7 will have the opportunity to sign up and participate in district Humanities and STEAM programs. These grant funded, FREE programs are designed to engage students in rich, appealing, project-based learning opportunities. All students that are currently in grades 5-7 and are enrolled in the Attleboro Public School are invited to participate at each of these locations on a space available basis. The following programs will be available during the summer 2018 season:

Architecture / Tree House Models:

Located at Coelho Middle School

When: The week of July 9, Monday-Thursday from 9:00AM-12:00noon

The Program Advisors are Sue Casey and Kelly Bergeron / Limited to 20 students

From luxurious and comfortable to futuristic and functional; Students will use their imagination to design and build a model of their ultimate tree house.

Architecture / Tiny House Models:

Located at Coelho Middle School

When: The week of July 16, Monday-Thursday from 9:00AM-12:00noon

The Program Advisors are Sue Casey and Kelly Bergeron / Limited to 20 students

Be innovative and creative in the area of a space not exceeding 250 sq.ft. Students will use their imagination to design and build a model of their amazing micro structure.

Digital Game Design:

Located at Coelho Middle School

When: The week of July 16, Monday – Thursday from 9:00AM-12:00noon

The Program Advisor is Tinker and Create /Limited to 20 students

This course introduces students to The Unreal Engine, a game development platform that is great for creating 2D and 3D games. Among the many skills students will take away from this class are scene design, character design, computer programming, story crafting and writing, a little physics and math, and, most importantly, imagination. More details at www.tinkerandcreate.com.

Drama Workshop:

Located at Coelho Middle School

When: The week of July 23, Monday-Thursday from 9:00AM-12:00noon

The Program Advisor is Audrey Maigret / Limited to 15 students

Participants will take part in drama exercises, learn about movement and character development, read plays together, and perform parts in short skits and/or plays. This is an exciting opportunity to learn basic theatre techniques and to find (or develop) the performer inside of you! Open to those who want to try something new, or those who already know they love being on stage!

Energy Explosion:

Located at Coelho Middle School Makerspace

When: The week of July 23, Monday – Thursday from 9:00AM-12:00noon

The Program Advisors and Sue Fortin and Tami LaFleur / Limited to 20 students

Come investigate all different types of energy: kinetic, potential, wind, electrical, sound... where YOU design the answers to YOUR questions!

Drama Workshop:

Located at Coelho Middle School

When: The week of July 30, Monday-Thursday from 9:00AM-12:00noon

The Program Advisor is Audrey Maigret / Limited to 15 students

Participants will take part in drama exercises, learn about movement and character development, read plays together, and perform parts in short skits and/or plays. This is an exciting opportunity to learn basic theatre techniques and to find (or develop) the performer inside of you! Open to those who want to try something new, or those who already know they love being on stage!
