Teachers

These exceptional classes are offered through Boston University's Metropolitan College & Extended Education. The classes are designed and taught by instructors from the Institute of Reading Development, which has provided non-credit instructional services in conjunction with Metropolitan College & Extended Education for the past 20 years.

"I would like to thank you for such a positive outcome with my son James. He learned skills that have translated into wonderful grades, and more importantly, have given him more confidence in his reading abilities. He has actually asked to go to the library to pick out a book!"
